

# 1 Seat Elite Belt Package with Seat, Chain, Clevis Connectors, Tool

## 1 Seat Belt Swing Seat Package

Package Includes:

Meets National Standards for: ✓ ASTM F1487-17 ✓ CPSC Guidelines #325

### Product Description

This 1 Seat Elite Belt Package contains everything you need to get your swing moving, including the seat, chain, clevis connectors, and a tool for assembling it all. The only thing needed is the swing frame itself with legs and a top rail, and the swing hangers. The clevises have simple bolts which can easily be removed and fastened around the swing chain and the hangers with clevis pendulums (also available on [playgroundequipment.com](http://playgroundequipment.com)). A simple Allen wrench tool is included, which is specifically made for the purpose of assembling these pieces. This ensures a perfect fit and makes it more difficult for vandals to tamper with the bolts. The seat can be ordered with your choice of black, green or blue colored plastic, and the commercial grade steel swing chains can be ordered in lengths suited for swings with 7, 8, 10, or 12-foot-high top rails.

### Product Specifications

**Model Number:** PSW700BK7

**Age Range:** 2-12 years

**Product Type:** Swing Set Parts
